B) CENTRALLY SPONSORED SCHEME

I. PRADHAN MANTRI MATSYA SAMPADA YOJANA (PMMSY)

Government of India has launched “Pradhan Mantri Matsya Sampada Yojana” (PMMSY) Schemes under the “Aatma-Nirbhar Bharat Yojana” at the time of infection of corona virus. PMMSY, marking the historically largest investment in the Fisheries Sector, aims to drive ecologically healthy, economically viable, and socially inclusive growth that contributes meaningfully towards the economic prosperity and wellbeing of Fishers and Fish Farmers as well as to the food and nutritional security of the country.

The aim of the Scheme is to bring about Blue Revolution through the sustainable development of the Fisheries Sector over a period of five years (2020-2025).

Achieving ambitious targets requires systematic and strategic enhancement of production and productivity, infusion of technology, quality improvement of seed and feed, value addition, species diversification and an enabling regulatory framework that would facilitate the penetration of fisheries activities deeper into the Exclusive Economic Zone (EEZ).

Beneficiary & Non-Beneficiary oriented sub-components and activities under centrally sponsored components of Pradhan Mantri Matsya Sampada Yojana is at ‘ANNEXURE-I’ & ‘ANNEXURE-II’ respectively.

List of the Pradhan Mantri Matsya Sampada Yojana (PMMSY) and their pattern of assistance are available on the site <http://dof.gov.in/pmmsy> and www.fisheries.goa.gov.in at the link provided below:-

i) PRADHAN MANTRI MATSYA KISAN SAMRIDHI SAH-YOJANA (PM-MKSSY)

Introduction

The Union Cabinet approved the Pradhan Mantri Matsya Kisan Samridhi Sah-Yojana (PM-MKSSY), a Central Sector Sub-scheme under the Pradhan Mantri Matsya Sampada Yojana (PMMSY), on 8th February 2024 for a period of four years from FY 2023-24 to FY 2026-27. PM-MKSSY will be implemented in all the States and Union Territories with an estimated outlay of ₹ . 6000 Crore. PM-MKSSY intends to address the inherent weaknesses of the sector through identified financial and technological intervention for bringing in institutional reforms to support the transformation of the fisheries sector in the Long-term.

Targeted Beneficiaries

Fish Farmers, Fish workers, Fish Vendors who are directly engaged in fisheries value chain .Fisheries and Aquaculture Micro and Small enterprises like Proprietary Firms, Partnership Firms and Companies registered in India. Societies, Limited Liability Partnerships (LLPs), Cooperatives, Federations, Village Level Organizations like Self Help Groups (SHGs), Fish Farmers Producer Organizations (FFPOs) and Start ups engaged in fisheries and aquaculture value chains. FFPOs also include Farmers Producer Organizations (FPOs). Any other beneficiaries that may be included by the Department of Fisheries, Government of India as targeted beneficiaries.

Key Components

1-A Formalization of fisheries sector

Fisheries, being an unorganised sector needs to be gradually formalized by creating registry or work-based identities of the fisheries' value chain actors such as fishers, fish farmers, fish workers, vendors, processors including micro and small enterprises workers etc. For this purpose, a National Fisheries Digital Platform (NFDP) will be created, and all the stakeholders will be mobilized to register on it. In addition to registration, NFDP will serve multiple other functions such as facilitating loan and insurance applications, disbursement of financial incentives etc.

1-B Incentivizing aquaculture insurance

In order to mitigate risks of crop loss, Directorate of Fisheries, (Government of India) will facilitate creation of appropriate aquaculture insurance products through insurance companies and target to cover at least 1 lakh hectare of aquaculture farms during the project period.

2 - Support for improving fisheries sector value chain efficiencies

This component seeks to improve value chain efficiencies in the fisheries sector through a system of performance grants with associated analytics and awareness campaigns. Microenterprises will be incentivized for reengaging in production, creating and maintaining jobs with priority to women and enhancing value chain efficiencies through performance grants, within selected value chains and using a set of measurable parameters.

3-Incentives for adoption of safety and quality assurance systems

Component 3 entails adoption of safety and quality assurance systems in marketing of fish and fisheries products by incentivizing fisheries micro and small enterprises through performance grants against a set of measurable parameters.

4 -Project management, monitoring and reporting:

Under this component, Project Management Units (PMUs) will be set up to manage, implement, monitor and evaluate project activities under PMMKSSY.

ii.) DHARTI AABA JANJATIYA GRAM UTKARSH ABHIYAN (DAJGUA)

The Ministry of Fisheries, Animal Husbandry and Dairying, Government of India has introduced the Dharti Aaba Janjatiya Gram Utkarsh Abhiyan (DAJGUA), through a coordinated approach and convergence of various schemes under Pradhan Mantri Sampada Matsya Yojana (PMMSY) for a period of 5 years from the financial year of 2024-2025 to 2028-2029 in the states/UTs.

The DAJGUA scheme aims to uplift the tribal communities by providing them with opportunities for fisheries and aquaculture activities in selected 25 villages. The DAJGUA scheme comprises 35 components under beneficiary oriented activities extending Government assistance up to 90% to tribal beneficiaries and 12 community base activities which non-beneficiary oriented activities with 100% funding provided by the Government.

The State Department has notified the said Scheme in the Official Gazette in order to implement the same in the State so that beneficiaries such as Fishers, Fish Farmers, Fish workers, self-help group, entrepreneurs, private firms in the Tribal population identified can avail the benefits.

C. REGISTRATION & LICENSING OF FISHING VESSEL (TRAWLER, PURSE-SEINER, SPORT FISHING VESSEL & CANOES) FISHING NET/GEAR

The Department Registers Fishing Vessels in the State of Goa under Merchant Shipping Act, 1958 and Rules, 1988. The Fishing Vessel License is issued under Goa Marine Fishing Regulation Act, 1980 and Rules 1982.

The applicant has to obtain prescribed form from Fisheries Officer/Fisheries Surveyor posted in the concerned blocks/ jetties and the applications duly filled along with the documents mentioned there in should be submitted to the Fisheries Officers who consecutively will inspect if, need be for certain services and after conducting necessary inspection, the application along with the Inspection Report and prescribed fees is forwarded to the Head Office from concerned Fisheries Officer through the respective Blocks/Jetties.

The Department also registers Fishing Net/Gear and issues Fishing Net/Gear Licenses under Goa Marine Fishing Regulation Act, 1980, its rule 1982 and its amendment in the State of Goa. As per Goa Marine Fishing Regulation Act & Rules there under, A.S.F/F.O. are authorized to register, issue or renew licenses for fishing net or gear.
